VACATION SEASON

Be Prepared Before You Head Out For Vacation!

With the vacation season quickly approaching we have just a few reminders to help make your time away stress free. **VISA is protecting your card 24/7!**

- Notify the Credit Union of the areas you will be traveling to and the dates you'll be traveling on before you leave. This is especially important if you are leaving the country.
- Be sure you know your PIN so you can obtain cash, if needed. To ensure your PIN is always safe, you should memorize it and never write it down.
- Make a record of your VISA card account and telephone numbers of the Credit Union for reporting lost or stolen cards.
- Check with the Credit Union to be sure they have your most current information (phone number and address). It is especially helpful to have a cell phone number available.
- Have a fun and safe vacation!
