JOIN TODAY!

Must be an immediate family member of a current Stewart's Shops partner OR Stewart's FCU member. Applies to new members (newborn - 13 years old) opening a Moola Club Account with a parent or guardian as the joint member.

Moola Club Promotion

Here's How the Program Works:

Timeline of the Promotion: 7/1-8/31/2025

Each new Moola Club Account open will receive an initial deposit of \$25 and a Banking Coloring/Activity Book (this is in addition to the tee shirt and change purse that is part of our on-going benefits of opening a Moola Club account).

To qualify for the \$25 bonus program, the following criteria must be met:

- Must be an immediate family member of a current Stewart's Shops partner OR Stewart's FCU member.
- The new member cannot already be a primary on an account at Stewart's FCU.
- Applies to new Members (newborn - 13 years old) opening a Moola Club Account with a Parent or Guardian as the joint member.
- The \$25 is automatically deposited to the New Moola Club Account on the day the account is open after meeting criteria.
- There is no minimum balance and no monthly service fee.
- The current dividend rate is 2.00% APY (APY is annual percentage yield). This rate is subject to change.
