

Welcome Hannah Quinn!

We're excited to welcome Hannah Quinn to the Stewart's Federal Credit Union team! A Saratoga native, Hannah brings **12 years of experience** in local banking and is looking forward to reconnecting with familiar faces while building new relationships with our members.

Outside of work, Hannah enjoys spending time with family and friends, diving into a good book, and singing with the Saratoga Voices choir. She also loves board games and is always up for a new adventure. A devoted cat lover, Hannah will gladly chat about pets—so don't be surprised if she asks to see pictures of your furry companions!

Be sure to stop by, say hello, and help us give Hannah a warm welcome the next time you visit.

SPRING INTO FINANCIAL WELLNESS

As the days get longer and everything starts to bloom, spring is the perfect time for a fresh start: not just at home, but with your finances too. Just as spring cleaning clears out the clutter, a financial refresh can help you feel more organized, confident and in control.

Start by reviewing your budget. Are there subscriptions you no longer use? Expenses that have crept up over time? Take a few minutes to tidy things up and redirect those dollars toward your goals. Whether that's building savings, paying down debt, or planning a summer getaway.

Next, check in on your savings. If you don't already have an emergency fund, now is a great time to begin. Even small, consistent contributions can grow over time and provide peace of mind when the unexpected happens. If you already have a saved amount set aside, consider whether it still aligns with your current needs and goals.

Spring is also a great time to revisit your financial goals. Have they changed since the start of the year? Whether you're working toward buying a home, improving your credit, or simply feeling more financially secure, setting clear, achievable goals can help keep you on track.

Finally, take advantage of the tools and resources available to you. From online banking features to financial education and guidance, your credit union is here to support you every step of the way.

A little effort now can set the tone for a strong financial season ahead. This spring, take the opportunity to refresh, reset and grow your financial well-being.

WHEREVER SPRING TAKES YOU—ROAD OR WATER—GO WITH CONFIDENCE.

Whether you're dreaming of a pontoon at sunset, weekend camping trips, or cruising the course in your own golf cart, Stewart's Federal Credit Union is here to help make it happen. With our recreational loan, you can finance your next adventure with:

- Competitive rates as low as 7.64% APR*
- Flexible terms
- Local service you trust

Your outdoor fun shouldn't have to wait. Let's get you there faster.
